PPI EMPLOYEE CLOTHING DRIVE BENEFITS HARMONY HOUSE

Pretty Products Industries employees held a clothing drive at the PPI plant March 10-12th. The clothing and shoes were collected to benefit Harmony House – Domestic Violence Shelter. Enough clothes and shoes were collected to fill a van and it took more than one trip to deliver all of the donations.

Patty Youngblood, President, United Way of West Georgia visited PPI last week to accept donations on behalf of Harmony House. Youngblood also shared opportunities for PPI employees to give, advocate and volunteer as a company with United Way of West Georgia.

“In today’s challenging economy we remain grateful and blessed every day at PPI. We wanted to give back and support the community said Willie Flowers, General Manager.
