PPI PROMOTES 15-YEAR WORKER TO I.T. MANAGER

Fifteen year employee Kathy Shumaker has been promoted to Information Technology Manager with Pretty Products.

Kathy joined the company in Columbus, Ohio in 1992 and took a brief leave in 1997. She rejoined the company in 1999 as the IT Developer. In 2006 she relocated with her family to work in the LaGrange facility.

"Kathy is a working manager and an asset to the team. She is dedicated to the organization, and adds great value in managing our information systems." said John Hawkins, CFO.

Shumaker received her Bachelor Degree in Computer Science from Devry Institute of Technology in 1992.

Kathy has two children, William and Danielle Patterson and four stepchildren. She is married to Mike Shumaker, who worked for Pretty Products before moving to LaGrange.

She loves spending time with her wonderful and supportive family, sewing, attending Faith Baptist Church and sharing her secret BBQ sauce with fellow employees.
