**PRETTY PRODUCTS MANAGERS GRADUATE WITH HONORS AND BACHELORS DEGREES**

Pretty Products is proud to announce that 2 of their managers are receiving their Bachelor degrees from LaGrange College on May 16 and both with honors

Plant Manager, Willie Flowers is so proud of his team leaders that he sent a mass invite around the plant for the graduation ceremony. Announcing Brian Borders, Purchasing Manager and Scott Kimbrell,

Continuous Improvement Manager, have both earned Bachelor of Arts in Business Administration degrees and both with honors!

Borders, with PPI since May 2008 graduates “Magna Cum Laude” with highest honors. Border is a member of the National Scholars Honor Society, Delta Mu Delta National Business Honor Society, Alpha Sigma Lambda National Adult Honor Society, the recipient of the “Most Outstanding Senior” award in the Business Department and the Zachary Taylor, Jr. Award for Most Outstanding Student in the LaGrange College Business and Accountancy Departments and on the Business Departments Dean’s List. Borders is married to wife Melita and has 2 children and a member of Cornerstone Church. Borders plans to pursue a Purchasing Manager Certification this summer and attend University of West Georgia in the fall for his MBA.

Scott Kimbrell, with PPI since November 2007, graduates “Cum Laude”. In addition to earning his Bachelor of Arts in Business Administration, Kimbrell minored in Human Resource Management as well. Kimbrell’s a member of Delta Mu Delta National Business Honor Society, Alpha Sigma Lambda National Adult Honor Society, Society of Human Resource Managers (SHRM) and also on the Business Departments Dean’s List. Kimbrell is married to Teresa and has 3 children. Teresa commented on how proud of Scott the family is. “He has worked really hard, both personally and professionally. We support him all the way.” Kimbrell plans to pursue his MBA in the fall from University of West Georgia as well.

“Both of these are fine and respectable men. They are our future leaders,” said plant manager, Flowers. These guys are great examples of team players. They are both loyal and dedicated young men, from their careers and education to

their families and church. Good companies are built with good employees and that's what we've got here at PPI said Flowers.
